WORK EXPERIENCE

- **University of Trento** 02/2026 - 05/2026
Teaching Assistant Trento, Italy
 - Teaching Assistant for the course "Data Analysis and Statistics", taught by Prof. Marco Bee.
- **University of Rome "Tor Vergata"** 03/2023 - 09/2023
Research Assistant Rome, Italy
 - "Economic Aryanization in the City of Bordeaux" with professors: Juha Tolvanen (University of Rome Tor Vergata), Stephanos Vlachos (University of Vienna), Julien Senn (University of Paris 1 Panthéon-Sorbonne).
 - Job description: As part of my job, I managed a large dataset which involved merging, reshaping, and other fundamental steps to prepare the data. I also designed and estimated statistical models, redacted reports on the activities executed, and actively participated in meetings. The job required a high level of autonomy and individual time management to ensure that all tasks were completed on time.

SKILLS

- **Programming Languages:** Stata (proficient), R (proficient), python (proficient)

CONFERENCES AND WORKSHOPS

- **Speaker:** Euregio Doctoral Colloquium in Economics - Bolzano, 10th June 2026
- **Speaker:** Innovation for transport and sustainable mobility workshop - Brunico, 4th April 2025

RESEARCH INTERESTS

My research interests lie in labor economics and urban economics, utilizing methodologies drawn from applied microeconometrics, such as reduced-form models and structural econometrics.
